Our mission is to create a safe and supportive environment that empowers the youth to strive for excellence, embrace challenges, and to build a stronger, more connected community.

As we continue to grow, we understand it takes a number of volunteers to make all of this possible. We want to take this opportunity to thank all the parents, coaches, volunteers, participants, sponsors, and vendors who have supported the league thus far this season. Obligation Fee & League Fundraisers

The Smiths Station Youth Flag Football League understands what financial burden little league sports can be. While we try to keep costs as low as possible and are continuously looking for ways to offset costs, there are numerous obligations that go into providing our members with a high quality league. Registration fees will cover league uniforms, city fees, and insurance costs.

In addition to registration fees, each participant will be required to pay a \$55 obligation fee. This will be allocated towards field maintenance and equipment, referees, field painting, and other miscellaneous operational costs. To help families offset that cost, the league will offer two fundraising opportunities, one is the raffle ticket fundraiser and the other is a corporate sponsor's banner (presented on the next page).

To receive raffle tickets, the athlete's registration fee must be paid in full. Raffle ticket bundles will be distributed with your athlete registration packet at the time of uniform sizing. Each bundle should have 22 tickets inside: \$5 each = \$110 per bundle of raffle tickets. You may receive as many or as few ticket bundles as you would like. When you turn in your first bundle of raffle tickets, your athlete's \$55 obligation fee will be paid in full. If you have already paid your obligation fee, we will refund you \$55. Once your obligation fee is paid in full, any raffle tickets sold and turned in afterwards will be split with the league 50/50.

*****Raffle Ticket Funds must be submitted by Opening Day*****
